Myths of the Archaic State: Evolution of the Earliest ...

Myths of the Archaic State: Evolution of the Earliest Cities, States, and Civilizations. Classical archaeology promotes the view that a state's evolution reflects general, universal forces. Norman Yoffee challenges the model in this book by presenting more complex and multi-linear models for the evolution of civilizations.

from the author, 'Myths of the archaic state' has the merit of gathering them in a way that, with all certainty, offers one of the most incisive global criticisms to the neo-evolutionist paradigm on the emergence of ancient states. Yoffee demolishes the evolutionary 'ladder' myth towards despotic states and, instead, proposes to see
