"Status Anxiety" by Alain De Botton is a sparkly book that, for the most part, I enjoyed immensely. However, like other readers, I have some problems with it. First, a gentle reminder to everyone who approaches a "philosophical" book like this one: all this rationalizing of reality can be helpful sometimes, but it is often overestimated, especially by academics.

### Status Anxiety by Alain de Botton - Goodreads

De Botton has nothing much to say about status anxiety that hasn't already been said a thousand times by knowing journalists or populist sociologists. You'll recognise the tune after the first few notes (.....)

### Alain de Botton on Status Anxiety

Status Anxiety can be defined as the constant tension or fear of being perceived as "unsuccessful" by the society in materialistic terms. It was coined by the Swiss-born British philosopher and author Alain de Botton in his book "Status Anxiety". Today, every individual constantly tries to outsmart the others to climb up the social ladder.

### Status Anxiety - Wikipedia

Preview — Status Anxiety by Alain de Botton. "That said, deciding to avoid other people does not necessarily equate with having no desire whatsoever for company; it may simply reflect a dissatisfaction with what—or who—is available. Cynics are, in the end, only idealists with awkwardly high standards.

### Status Anxiety Quotes by Alain de Botton - Goodreads

Status Anxiety by Alain de Botton 314pp Hamish Hamilton, £16.99 Alain de Botton is the kind of public intellectual our debased culture deserves. This prince of précis, this queen of quotation, pastes together entire books by citing and then restating in inferior prose the ideas of great writers...

was enlightening; the ending was disappointing. The book generally aligns with mimetic theory and Girardian ideas; I've added a G near comments that seem to do so particularly. THE BASICS Status is position in society, one's...

### **Notes from Status Anxiety - The Basics - BEYOND RIVALRY**

Most of Status Anxiety is devoted to how we might escape the resulting pressures - in our heads, at least - and the answers put forward include developing a proper appreciation of philosophy (de Botton commends an attitude of "intelligent misanthropy", which might be summed up as a willingness to see society as idiotic) or of literature (he draws a chart to show how many of the great heroes of fiction had a lowly social status).
