The geometry of  
multiple images.

Computer vision

requires models that  
describe the image

creation process. An

important part (besides

e.g. radiometric

effects), concerns the  
geometrical relations

between the scene,

# File Type PDF The Geometry Of

Multiple Images

cameras and the

captured images,

commonly subsumed  
under the term ``multi-  
view geometry''. This

describes how a scene  
is projected onto an

image, and how

different images of the
