## **The Learning Habit: A Groundbreaking Approach to Homework ...**

A groundbreaking approach to building learning habits for life, based on a major new study revealing what works and what doesn't. Life is different for kids today. Between standardized testing, the Common Core Curriculum, copious homework assignments, and seemingly endless amounts of screen time, it's hard for kids and parents to know what's most essential.

The Learning Habit Studies were a  
3-year project, which involved both  
traditional paper research studies,  
interviews, and a groundbreaking online  
research study that surveyed nearly  
50,000 parents in all 50 U.S. states.  
Conducted in the fall of 2013, the  
findings are both conclusive and  
provocative.
