Orson Scott Card's Wyrms is a collection of Marvel comics with the same story and characters. It is well illustrated but leaves out many of the complex ethical themes that make the original novel such a great book.

#### **Amazon.com: Wyrms (9780765305602): Card, Orson: Books**

The book "Wyrms" by Orson Scott Card is a very strange and confusing book. It follows the adventure of Patience on the planet Imakulata. Patience is a diplomatic assassin who is a prophecy to the people of Immakulata on her way to Cranning. Not only is this book really erotic but it gives off a very pulp fiction like story.
